The Ascended Masters are individuals who have utilized Their Light on behalf of the Universal Good, and They radiate Their Blessings to the entire human race with the same impersonal devotion that the Sun, in its shining, expresses; but They can only become 'Wayshowers' to the sons of men who are inclined to join Their energies with the purpose and Plan of the Brothers.

To this end, We have endeavored to bring forth a printed publication by which the design and plan of the Brothers might reach into the minds and hearts of men, but no man is required to read it or to abide within the wisdom of its counsel, even as no man is required to become a Master of the Law of Mathematics, a linguist, or a danseur, or achieve the ultimate perfection in any other line.

Through our printed word, we are reaching out to those who do so desire, for they, each one, will become the embodied Presence of the Chohan of the Seventh Ray, and when the life energies of the less fortunate return for redemption, and they desire a way and means to extricate themselves from the living force which they have, by free will, drawn from the Heart of God, stamped it with their human imperfection, and imposed it upon the universe, the Masters will have - not one - but many ready to teach them the Way of Life.

THOMAS PRINTZ' PRIVATE BULLETIN

No. 15 September 21, 1952

The activity of the Retreat at Lake Titicaca, wherein the concentrated God Power was established through the Feminine Ray at the inception of the planet Earth's manifestation as a member of our Solar System, drew a response from mankind that was beyond the hope and expectation of the Brotherhood. As this Ray represents the Feeling Nature of God, and embodies within Itself the qualities which are the manifest Garment of the Godhead, every lifestream which was drawn within the compass of its radiation began to absorb, either consciously or unconsciously, the very Nature of God while within its Spiritual Aura.

As the aspirant, who once looks upon the Master's Presence, becomes aware of the Divine Pattern which he, himself, must one day fulfill, so were the mankind of Earth deeply imbued with the Nature of Godliness by which they might measure their outer selves, and in all future contacts, how true and accurate the Presentation of Truth might be through those purporting to be the Messengers and Directors that carry the Light to the people. Once an individual has been bathed in the Aura of a Master, or stood in the Sacred Aura of the Godhead Himself, there is no external mental force or human persuasion that can deceive his heart consciousness when an individual masquerading as the God Nature, and yet not expressing a like or complementary vibration, presents a certain aspect of so-called Truth for his acceptance.

For thirty days, while the Great Retreat of the God Meru was open to the members of the race, out of three and a half to four billion people presently incarnate, over three billion attended at least once, and well over ten million people were present nightly. Here they saw and felt the Aura of the Godhead, which is the natural atmosphere of the Holy Mountain, and entered into Its Sanctified Presence finding peace and ease which comes only through abiding within the Secret Place of the Most High.

Here, night after night, beautiful and perfected Beings addressed the multitude, and in Their embodied Grace and intense Love, They manifested the Inner, but palpable God Nature through perfected form.

This was done with the purpose of impressing the attending souls with the reality of the God-like Love and Perfection of the Master to a point wherein 'sham' would be as evident as the difference between Gabriel's Horn and a tin trumpet.

It will be understood that among the billions who are drawn by the Love Magnet into the Holy Mountain, those who were consciously present in their awakened senses numbered only in the thousands, but those witnessed such a profession of Perfection of the God Nature night after night, as has not been seen in the world of form since the curtain fell on the last Golden Age.

We are determined that man shall no longer be deceived in the representation of the God Power and God Nature through any finite form, and at this Council, it was voted, among other things, that every seeking soul be taken, once in every

twenty-four hour period, into the actual breathing Ascended Master Presence of some Perfected Being and, literally sitting at the feet of the Master, learn first-hand what a God-Perfect Individual is in Nature, in Manifestation, in Purpose and in Action.

To render this service, it was required that an individual Being volunteer to accept the responsibility of taking the consciousness, during sleep, to such a Perfect Master Presence, and here the Angelic Host, under the direction of the Archangel Michael, made this voluntary dedication and no individual who is sincerely seeking the Truth, no matter what the avenue of his endeavor may be, shall miss this experience once in the twenty-four hour period.

It is impossible, therefore, to continue to veil Truth because through proximity and pressure of feeling, sooner or later, every manifest man, measured against the Christ Perfection of the Divine Order of God Beings, will reveal his professed representation of the God Nature.

The Lords of Karma will meet at Luxor every seventh night during the thirty-day period just begun, and at least three of Them will be in constant attendance to pass upon Dispensations and Grants which cannot await the coming of the half-yearly Conclave.
